The section on Norman Granz, Peterson's closest friend and manager from his earliest American days, pays tribute to the late impresario's ground-breaking achievements as a concert promoter, record producer, and significant civil rights activist, while the large section entitled Jazz People logs Peterson's warm and often hilarious reminiscences of the innumerable jazz stars he played for and with including Coleman Hawkins, Lester Young and Ella Fitzgerald. three highly successful series for the BBC as a chatshow host on Oscar's Piano Parties, reflections on the many pianos he has owned and played, and specific aspects of his personal life.
